

## Community Volunteerism Final Survey Report

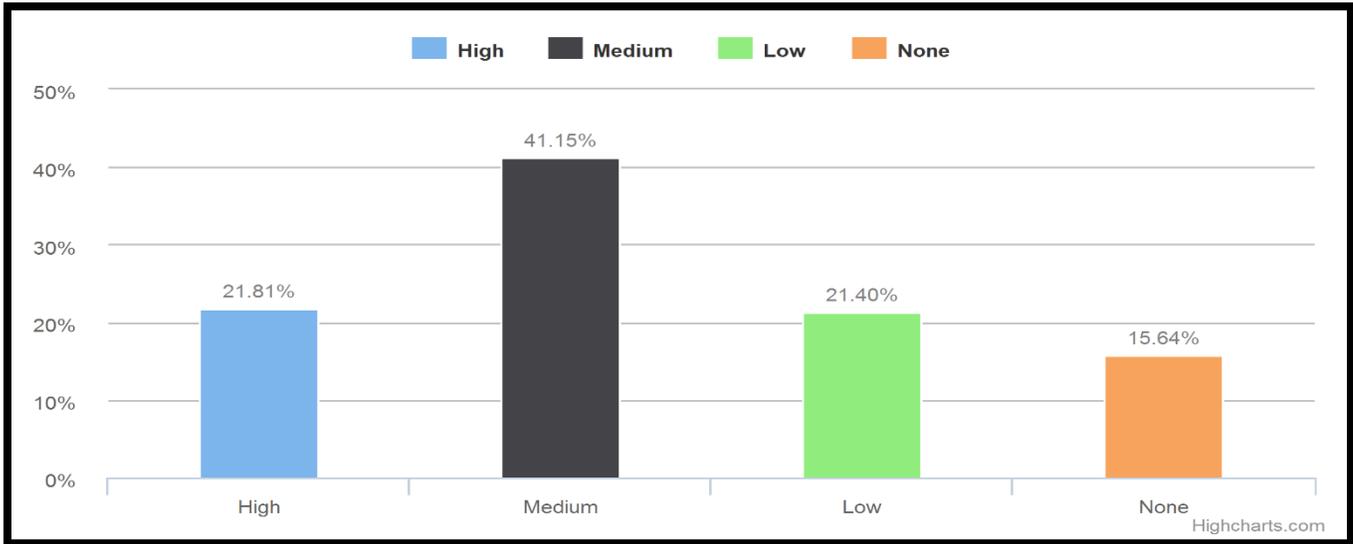

88. Chickasaw Point has a reputation for volunteerism within and outside our community. It is very important, valued and much needed to help carry forward the good ideas generated from this survey. Please indicate your level of interest in volunteering to help with the next steps of the planning process and the implementation phase.

Please note your area(s) of interest in the comment space below. Thank you.

Response	Comments
1	Not being there full time poses issues to fully participate
2	Work with developing the pocket homes
3	We don't desire to join the women or men's club at this point but would like to be a part of programs/volunteering. It has always seemed that those projects were for "members only"
4	I would do more if we spent more time at Chickasaw
5	At this point in life I feel as those others would be more effective
6	whatever is required
7	We are just getting too old to help we did lots 10 years ago
8	Already involved in 4-5 activities or events during the year
9	I do not mind volunteering; however my wife and I have health concerns due to COVID that preclude us from attending group gatherings. Accommodation for video chat/meetings would be preferred.
10	When we are there full time, we're happy to help. In the interim, we can help virtually on a limited time basis.
11	One or both of us may be interested in the acquisition of dedicated Pickleball courts.
12	If I actually had a house there I would be interested
13	since we are part timers time is very important to us
14	golf course, landscape
15	We already volunteer a lot I think. Maybe not in these areas.
16	Landscaping, road work, clearing of trees and downed wood trash, outdoor community building projects, lending closet, men's and women's club volunteering,

17	Habitat for Humanity, Hospice care, Literacy training/ESL
18	Covenant revisions
19	Only interested if I wouldn't be ousted because I don't agree with others.
20	Do not live close enough to provide appropriate availability
21	Supplement POA income
22	Still working which leaves little time for much else sorry
23	Amenities, patio homes and community events and entertainment
24	Seasonal owner, will do what I can during my time in Chickasaw.
25	Facilitation of meetings (I am a certified professional facilitator for strategic planning, focus groups, problem solving, etc. willing to facilitate pro bono. Contact Bob Moir, 86
26	trash pickup, papoose park, totem poles
27	don't live full time there. I volunteer at my full-time residence. were we to move full time to CP, I'd def be in!
28	Wherever possible
29	age effects our options
30	Family is first, so availability may be limited.
31	We are part timers and aren't there enough to help.
32	STR
33	administrative and technical work
34	If ever can afford to move there.
35	Pickleball courts. And other areas as needed. Hard though as we are part time.
36	Once we live there full time we are definitely interested in volunteering.
37	Help Serve w/experience of 32.5 yrs. as financial officer for Construction Co. with responsibility of budgets & profitability of over 2000 construction projects per year with GC licenses in 5 states.
38	Where I can agree with the initiative, I'll gladly help
39	wherever needed

40	acquisition of land for cottage homes
41	It's not my strength.
42	Fitness center, pool upgrade, walking path, event center.
43	Already do a lot within and outside of CP.
44	I am interested in helping. Consider what an 84-year-old resident, who has lived here going on 10 years can do and call me!
45	We sincerely and greatly appreciate those willing to volunteer. We have volunteered for many, many events and committees in previous years. UTV trails would be what interests me.
46	That's the way Chickasaw has always done it
47	Interested in projects to improve lake amenities such as lakeside mini parks, trails, picnic areas, community fishing docks, canoe launch areas.
48	would be happy to help with anything related to walking paths
49	my condition will not allow it (handicapped)
50	I don't live in the area.
